INGHOR boxes

sheet stacking box

The benefit of a double-box stacker lies in the possibility of non-stop stack changes. The stacker can automatically switch delivery to the other box when the desired stack height on the pallet is reached. The sheets are supported on an air cushion as they drop onto the stack.

Technical specifications

CazProductNumber CPN	6705
Name	INGHOR boxes
Sheet length max.	1000 mm
Sheet width max.	1200 mm
