Cevolani food-end production line D211

Quality pre-owned high speed food-end manufacturing line consisting of: CEVOLANI CG 422 scroll shear, PDV 394 stripfeed press, CUD 520 disc curling, MTD 555 compound liner and FVDTC 542 vertical pocket drying oven. In November 2022 a complete mechanical and electronic overhaul was done. In the press a brand new Siemens PLC and HMI were installed, and mechanically the crankshaft and clutch were replaced. On the scroll the chains were replaced and the shuttle assembly was overhauled. On the compound liner general maintenance was carried out.

Technical specifications

CazProductNumber CPN	6220
Name	Cevolani food-end production line D211
Tooling	65 mm
Year of Construction	2002
Can shape	round
Speed (up to)	650 ends per minute
