

Mawag Prexite

duplex slitter • sheet feeder • stacking unit

Pre-owned automatic sheet slitting machine with: auto in feed, 1st rotary slitting unit, right angle turn, 2nd rotary slitting unit (six line), delivery with powered roller out feed. Perspex guarding. Currently set up for a full sheet side trim on the first cut and a 6 strip cut on second. Multiple share knives to change this configuration, but not drop gates to transfer strips from the first cut to the second cut table. These can be added and there is the drive system to operate them.
